

Pasco Girls Pummel Zephyrhills

Kadlub Leads Overwhelming Assault

by Vincent Pensabene

The Lady Pirates defeated host Zephyrhills 9-1 last Friday, bringing their win streak to six games.

Stellar junior forward Jordyn Kadlub knocked in three goals to give her 29 on the season, ranking her second in the nation in goals. She also is leading the nation in total points with 70 (29 goals, 12 assists) in only eight games into the season.

The game ended seven minutes into the second half because of the mercy rule (an eight goal advantage in the second half).

Pasco (7-1, 5-0) has dominated the 9-Mile War rivalry in soccer as of late, winning the last 11 matchups on the varsity level.

The Pirates scored early with their first goal four minutes into the game and kept up the offensive pressure on Zephyrhills. Pasco scored six goals in a 20-minute stretch to put the Lady Bulldogs away.

Pasco's senior midfielders had a field day: Jennifer Luna scored three goals, Bailey Boyd scored twice and Nathalie Sawczuk also added a goal.

Pasco Boys Kick Hernando, 9-1

Soccer Coach Grayling Keeps Team Focused

by Sam Newlon

Pasco's boys' soccer team improved to 4-1 after thumping district opponent Hernando 9-1 last week at W.F. Edwards Stadium.

The Pirates didn't trail for a single minute, but head coach Barry Grayling refused to let the team slip into complacency. Grayling could be heard across the field yelling: "Zero to zero, gentlemen!" throughout the game.

"He says that all the time," team captain Jason Nicolette said after the game. "He

says it the whole season. Other teams score because we're asleep at the beginning of the game and we have to come back."

Grayling's slogan resonated for the Pirates against Hernando and they came ready to play as Nicolette scored in the first 38 seconds of the game. After the early goal, Grayling reminded his team to play like it was still scoreless. Hernando responded at the six-minute mark, when they ran through the defense and found the back of the net by poking the ball past the goalie.

That was the only goal the Pirates

would allow while team captain Tyler Dueker went on a five-goal scoring spree.

"He [Grayling] said he wanted us to play harder against this team so we could get ready for the rest of the season," Dueker said. "He didn't want us to fall asleep or do something dumb."

Dueker's first goal came at the nine-minute mark off an assist from Nicolette. The captains worked together as Nicolette broke away from the defenders and tapped the ball to Dueker at the last second,

The Pirates continue their season when they travel to Brooksville on Friday to challenge Nature Coast Tech (3-5, 3-2).

Pasco Boys Struggle Against Hudson

Three-Pointers Too Much As Pirates Fall

by Vincent Pensabene

Hudson proved to be rude to host Pasco en route to a 75-50 thrashing on the hardwood. The Cobras led the game from wire-to-wire and left the Pirates with more questions than answers.

The big difference was the amount of three-pointers that went in as the Cobras had the advantage 11 to 5 and Pasco couldn't figure out Hudson, giving up 33 points in the first quarter and 55 by half. The game finished with a running clock for most of the second half after Hudson was up by 35 at one point.

The Pirates were unable to slow down Hudson (2-1) until the fourth quarter but it was far too late to make any difference in the outcome.

Senior Roney Webster led the Pirates with 15 points and sophomore Kobe Broner finished with 10 points. Senior Will Waters led the team with two three-pointers.

Senior Mark Calleja scored 25 points and was 5 of 6 from beyond the arc to lead the Cobras.

The Pirates (2-3) continue their season on the road

tricking the goalie as Dueker buried the ball in the back of the net to put Pasco back on top 2-1.

In the 23rd-minute, Nicolette was fouled in the box and set up a penalty kick for Dueker, who found the bottom left corner of the goal for his second score of the night. At this point, Grayling was still yelling from the sideline: "Zero to zero, gentlemen!"

Nicolette and Dueker teamed up for two more goals before the half when Nicolette served assists both times increasing Pasco's lead to 5-1.

With a minute before the half concluded, Alexandro Montes scored after firing a shot past the Hernando goalie to make it 6-1.

When the game resumed, the Pirates

were able to score three more goals within 20 minutes and triggered the mercy-rule on Hernando when they scored their ninth goal with a little more than 19 minutes remaining in the game.

Grayling declined to comment after the game saying, "I talk too much, go talk to some of those guys."

"We played well," Dueker said. "We had good possession. I think we're starting to play better as a team. No one really knew each other at first, but it's starting to come together and we're starting to click."

The Pirates, who are undefeated in district play, have an eye on the district championship. When asked what his goals are for the team as the season progresses, Nicolette answered, "Finish district champs. That's our goal."

Habitat Kicks Off 2018 Efforts

Robert Wheeler Wins Dream Playhouse

by Joe Potter

One hundred volunteers turned out Saturday to help Habitat for Humanity of East & Central Pasco kick off its efforts for 2018.

The dozens helped frame a house during a Raise The Roof and Community Fair event held in the parking lot of Habitat's Zephyrhills ReStore at 4700 Allen Road where several vendors set up booths for the event.

The winning ticket was also drawn for a dream playhouse Habitat raffled off as part of its fundraising efforts. Robert Wheeler won the play house and Habitat will deliver it.

Aaron and Jason Wilcox and their

daughter, 4, and son, 2, will occupy the Dade City house the volunteers began constructing on Saturday. The Buford Avenue home will be finished in the spring, said Crystal Lazar, Habitat's chief administrative officer.

This will be the 142nd home the local Habitat affiliate has constructed since the nonprofit ecumenical Christian housing ministry was founded in Dade City in 1994.

The Wilcox family has completed half of the required 400 hours of sweat equity needed to be able to move into their home, Lazar said.

Habitat's mission is to eliminate poverty housing and to make decent shelter a matter of conscience and action.

Before each building project, the group is asked to celebrate the occasion and repeat that Habitat provides not a "hand out, but a hand up." Photo by Richard K. Riley

Laural Weightman, development director for Habitat stands in the small playhouse that was raffled off at the event. Betty and Bob Bratton of Wesley Chapel sold raffle tickets. Photo by Richard K. Riley

The organization merged with Habitat For Humanity of Central Pasco several years ago.

The local Habitat affiliate is located at 36739 S.R. 52, Suite 202.

Habitat families receive interest free mortgages and the proceeds from those mortgages help to pay for the construction of new homes for other families. Occasionally a business will

sponsor a home, which helps to defray the construction costs.

A sponsor hasn't stepped forward yet for the Wilcox family's home, said Jessica Werckman, chairwoman of Habitat's board of directors.

Habitat has built or remodeled homes in Dade City, Zephyrhills, Lacombee, Wesley Chapel, Crystal Springs, Land O' lakes and Spring Hill.

Mavis Dean

DEAN, Mavis, 80, passed away peacefully on Nov. 19, 2017. Mavis had a heart of pure gold. She was a remarkably strong, loving and original woman with the sweetest disposition imaginable, particularly given the hardships she faced in her well-lived life. Mavis had a quick smile and the ability to make people instantly comfortable with her goodness and candor. Many will remember this descendant of Florida's pioneering Whidden/Ellerbe family for her devoted service to others in the workplace. Mavis worked for years at many Dade City restaurants, from the E & M and George & Gladys' to the Valencia and Club Iola. Mavis was a proud Pasco High School graduate, and last worked as a clerk at the San Ann BP for 18 years, where she was beloved by her customers. She spent most of her life in and around Dade City, where she brought two fine children, Alfred and Patty, into the world. In lieu of flowers, the family requests contributions be made in Mavis's name to Royal Oak Nursing Center or the Disabled American Veterans.
