Rainbow Village Looking Forward To Spring

Submitted by **Marcia Tippett**
Rainbow Village RV Resort

So much has gone on at Rainbow Village that this writer doesn't know where to begin! We've experienced several renovations in the resort, such as new stop signs, new street signs and fresh paint on buildings. The shuffleboard court has been redone and the shufflers even have their own cheerleaders to cheer them on! The horseshoe pit is looking great and now,

It takes a lot of chicken to feed the crowd at the annual chicken dinner.

Bon Voyage For K&M Travel Couple

Popular Travel Agency Owners Officially Retire

by **Keri McAlpine**

Marvin and Karen Matteson make a toast to their retirement and the happy years they have spent with K&M Travel.

Photo by **Chris Drews**

The longtime owners of K&M Travel enjoyed a glass or two of champagne with friends last week before sailing off into the sunset.

The travel team of Karen and Marvin Matteson partnered with Trinity VIP in October and for the past four months have slowly been handing off their business at 38507 Fifth Ave.

The downtown agency is now called Trinity VIP and K&M Travel.

On Feb. 23, the Mattesons held a retirement party at the business they have owned for 25 years. The event was also

Who Thought It Could Get Any Goofier?

Favorite Golf Event A Roaring Success

By **Ian Marwick** *The Happy Scribe*
Happy Days RV Park

Wow, did we really sign up 143 goofy residents to play goofy golf? Yep, we did!

The mind boggles that so many people would even consider the thought to get up that early on a Saturday morning, to dress up like who knows what, then act up like teenagers, and then to top it all off fork up a buck to do it. That is goofy!

It's hard to believe it, but we have five years of this under our belts.

It was a simple premise: Make a little silly mini putt using anything on site or under a trailer, put together a few 'holes' and act goofy for an hour or so. Boy, did that go wrong. Or actually – right.

The diehards who have built or played over these past years now have

an unstoppable momentum all their own. With this year barely finished and still warm, plans for 2018 are already cooking. Holy moly, we have crazy fun-loving people here in Happy Days.

an open house to welcome the new agency owner Dona Withrow.

More than 100 people attended the event to find out information about upcoming trips and deliver well wishes to Karen and Marvin.

The Mattesons have stayed around K&M since the fall to help ease the transition to the new ownership but now they are fully embracing retirement. A 'happy retirement' cake in their honor was shared with visitors, and champagne was poured before toasting the two globetrotters who have become friendly faces to many locals.

Marvin said they plan to spend their summers in Cooperstown, N.Y., home of the National Baseball Hall of Fame.

Withrow's Spring Hill business organizes motor coach tours. With the combined markets of both agencies, Withrow saw a recipe for success when she joined forces with the Mattesons last year.

Sam Siciliano was the lucky winner of the open house raffle prize: a Royal Caribbean cruise for two to the Bahamas. Siciliano will be taking his wife of 59 years, Carol, on the trip so they can both enjoy paradise.

Trinity VIP and K&M Travel can be reached by calling (813) 788-6686.

The husband and wife duo have travelled the world together, sharing adventures and new experiences with hundreds of local residents. *Photos by Chris Drews*

Fake News Isn't New

It just keeps getting worse every day. I have gotten to the point that I watch very little network news and I quit reading and subscribing to daily newspapers. The only reason a few people are still buying them is for the coupons. I shop at Publix and I use digital coupons. It is super convenient and I save a bunch.

One daily, the Tampa Tribune was at one time the big man on campus but it, like many others, has gone by the wayside. Fortunately we still have three awesome local newspapers that serve east Pasco County and it is all real news. We don't have to come up with fake news or fake numbers to make us look good. The *Zephyrhills Free Press*, *Dade City News* and the *East Pasco Senior News* do a great job at covering real news, real sports and real information that is important to where we live.

I'm pretty sure you have been hearing quite a bit about fake news lately. I am here to tell you that this type of news has been going on since biblical times. After my morning quiet time with the Lord I read a verse that Franklin Graham, the son of Evangelist Billy Graham, shared on his Twitter account. "You shall not circulate a false report" (Exodus 23:1). When I read it I had to check it out for myself to see if it was there and it was. I don't know how bad it was back then but that was way

before daily newspapers, TV and social media.

Some people are very gullible and believe everything they read or hear. Seventy-five years ago Colombia Broadcasting System's regular programming was interrupted with an alert that our planet was being invaded. In reality it was Orson Welles and some radio actors performing a show. According to Radiolab about 12 million listeners were tuned into the broadcast, which reportedly scared the dickens out of many Americans; about one out of 12 really believed what they were hearing. There was panic in the streets. Imagine the number of people today that believe everything that they hear, read or see on TV.

This is a free country and not controlled by major media. I totally believe in the First Amendment which protects the freedom of the press. I also believe that there must be accountability of the press. The intention of the amendment was to make sure the government is acting in the interest of the people. I think each member of the major media needs to read this amendment one more time and think before they act.

When I was a kid my mom and dad used to love to watch the CBS Evening News with Walter Cronkite. He was with that network for nearly 20 years in a career that spanned about 45 years reporting on everything. Cronkite was often referred to as, "The Most Trusted Man in America". He always ended each broadcast with, "And that's the way it is".

Maybe it's time for the media giants to take a good look back. Many things come and go – just like the once powerful Blockbuster Video and others along with many daily newspapers in our country. Major media, as we know it, just might become a thing of the past.

For the new generation of millennials and a growing number of others I think this has already begun.

There is no age limit or requirement when it comes to the enjoyment of model trains at this year's train show. The 2017 Model Train Show will feature new scenes and electronics.

Zephyrhills Prepares For Model Train Show

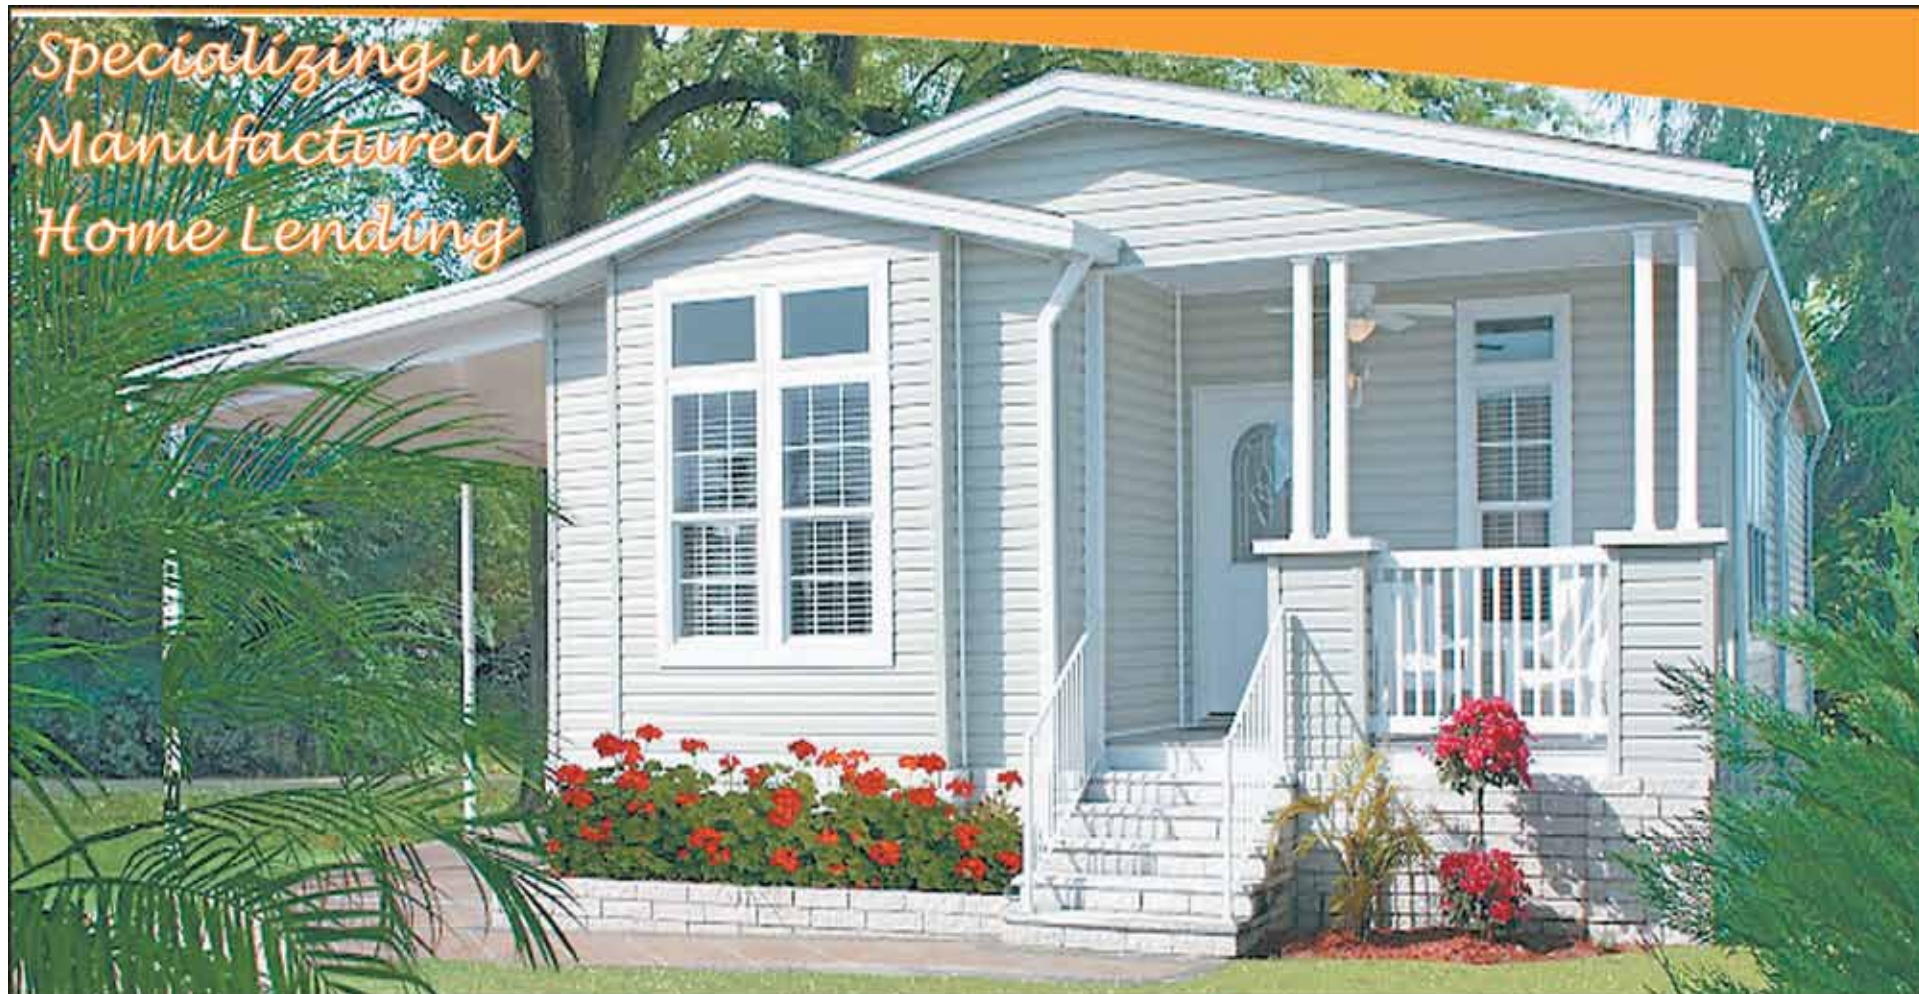

Train fans and kids of all ages will enjoy the efforts of area modelers when they visit the next Zephyrhills Depot Museum model train show and swap meet on March 18. The event will be at the South Avenue museum from 9 a.m. to 2 p.m. Hobbyists, dealers and other enthusiasts may reserve table space for their own displays by calling the depot at (813) 782-0067 for information during their hours of Thursday from 9 a.m. to 1 p.m. and Saturdays from 9 a.m. to 12 p.m.

The local modelers have been working for months to ready the museum and its large HO scale layout for the expected crowd of visitors. New scenes and electronics have been added since the last show in 2015.

In addition to award winning structures, four train operations and visitor-operated sound effects there will be a number of new features including wireless TV viewing directly from a moving train.

There is no admission charge for the event, but donations support the volunteer program designed to help tell the story of Zephyrhills history. There will also be door prizes and a raffle for a complete model train.

The skilled craftsmen volunteering have been doing so for more than 10 years and come from all over the East Pasco area to work on the layout. They add new features as donations allow and look forward to showing off the results.

RAINBOW VILLAGE RV RESORT

the bocce ball court is in the future. We held a resort-wide yard sale, a loaded baked potato dinner and a coffee hour all in just the first half of the month.

On a sad note, Sue Flynn resigned as resort manager, choosing to retire after many years here. Along with Sue, Ann Ring also retired. On a happy note, both women live in the park and now they can participate in the activities along with the rest of us. Sun Communities has sent Rita Owens to serve as our acting manager until a new manager is found. We want to welcome Rita to Rainbow Village!

On Feb. 15 we had a special Valentine performance by Chris Poje. Chris Poje has been performing professionally for enthusiastic audiences in New York, New Jersey, Pennsylvania and Florida for over 30 years, fronting live bands and as a solo artist. In 2001 after 20 years as a Detective Sergeant in the NYPD he retired to become a full-time entertainer and performs over 100 shows annually. His passionate renditions of classic

hits by Sinatra, Elvis, Tony Bennett, Humperdinck, Tom Jones, Michael Bubl  and the rest of the 1950s-1970s rock n' roll, will excite any audience. In 2010 he won the Pennsylvania State Senior Idol title. He sang various songs from the rat pack and several lucky ladies were serenaded by the best. A special song was song to Sue Flynn and everyone sang along to the words to "My Girl." There was even some Elvis action from Bill Flynn. Chris is an amazing performer and his skill brought out the talents of others; take the Rainbow Rockettes for example. These women high-kicked it like professionals! If your group would like to book Chris Poje for your resort for a show, simply give him a call at (717) 917-1596 or email him at ChrisPoje@aol.com

It takes many volunteers to bring a show like this to us. Thank you Sue Flynn and the Usherettes for a job well done.

Fast and furious would describe the hoedown dance on Feb. 18 and was a great deal of fun. So many dressed for the occasion, making it even more special. Lots of cowboys and cowgirls and even

more dancing! The very next day was the Sunday ice cream social that came with special entertainment by The Benders. Weekends full of fun and camaraderie makes them fly by, that's for sure. I heard several stating they couldn't believe the weekend was over so quickly!

Last Wednesday was the 26th annual

chicken dinner. A half chicken, baked potato, corn, slaw, roll and a cupcake was all had for the mere price of \$8.50. From the looks of the crowded hall and the huge number of takeout dinners, everyone at Rainbow Village knew a

Thanks to Tampa Bay Golf and Country Club for a donation of the floating balls. Hey, cheers to all for the great job.

What games are playing this year? Feed the Alligator, Turbo Golf, Vacuum Ball, Not the Swimming Pool, Rotating Wheel, Up Ramp, Down Ramp, Giant Cup, plus who knows what to call it. Look out next year.

A typical foursome is a foursome except in Goofy Golf. It is what it is. This year ours was 'Eight Players'. Hey, who knows, nine, maybe ten next year? Goofy!

MAJESTIC OAKS CAREFREE RV RESORTS

Kiss Cam at Majestic Oaks

Submitted by *Wendy Parsels*
Majestic Oaks Carefree RV Resort

Residents at Majestic Oaks Carefree RV Resort celebrated Valentine's Day in style at their annual Sweetheart Dance. The music was provided by The Mustangs. A sweet time was had by all! Valentine's Day is a festive day that conjures images of love, romance and passion.

Thanks to Doug Lee and a Hershey's Kiss message of "Let's KISS." Some residents in attendance got a little more romance, passion and love!

Everyone has seen clips of the 'kiss cam.' The kiss cam tradition originated in California in the early 1980s as a way to fill in the gaps in play in professional baseball games, taking advantage of the possibilities of the then-new giant video screens. If you are not familiar with the 'kiss cam,' it is a social game that takes place during sporting events, primarily in the United States and Canada. It is

intended as a light-hearted diversion to the main event during a timeout, television break or similar downtime.

A 'kiss cam' camera scans the crowd, and selects a couple, their images being shown on the big screens in the arena. The couple are then invited to kiss one another, encouraged by the rest of the audience. A kiss is traditionally rewarded by cheers and whistles, and a refusal to kiss is booed. Some couples, although not wishing to kiss, feel intimidated by the crowd reaction, and feel forced to do so. Sometimes they are in a more platonic relationship like brother and sister or mother and son! Other times may find the couple not noticing themselves on the screen, and the resulting inaction can be humorous or embarrassing.

Doug started it! He got a little Hershey's Kiss from Sue Hartman (Larry's wife) that said on the bottom "Let's Kiss." So, Doug went to everyone that wasn't dancing and showed one of the spouses

Abbie and Tom Chambers.

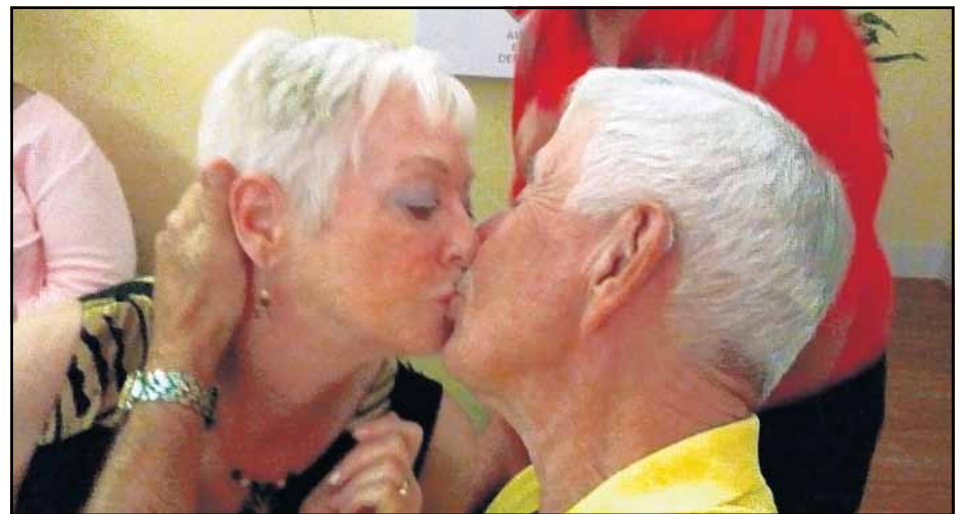

Photos by Doug Lee

the Hershey's kiss and told them that their partner requested it... and it took off from there! He was quick enough to catch their reactions to the suggestion on his phone. It was quite an adventure

and we can now say, the iconic 'kiss cam' has come to Majestic Oaks sharing the notions, and motions, of love! Did I mention Doug kept the infamous Hershey's Kiss?
